FOR IMMEDIATE RELEASE

Temporary Closures on US-6 Westbound West Dodge Elevated Expressway in Omaha

July 20, 2017 (Omaha, Neb.) — Weather permitting, there will be temporary weeknight closures and weekend lane closures between 132nd Street and 108th Street along westbound US-6 (West Dodge Elevated Expressway) beginning July 21, according to the Nebraska Department of Transportation.

Weeknight Closures:

Complete closure of westbound US-6 (West Dodge Elevated Expressway) between 8:00 p.m. and 6:00 a.m. Monday thru Thursday. Traffic will be detoured to local West Dodge Road.

Weekend Lane Closures:

Lane closures of westbound US-6 (West Dodge Elevated Expressway) between 8:00 p.m. Friday thru 6:00 a.m. Monday. One lane westbound will remain open, traffic can also use local West Dodge Road.

RAM Construction Services, of Livonia, Michigan is the contractor on this project. These temporary closures are necessary for bridge preservation work that includes a multi-layer epoxy polymer overlay to the bridge deck surface. This project is scheduled to be completed in fall 2017.

Motorists are urged to drive cautiously through construction zones and to follow detours.
